

From inside Internet Explorer: Click on File → Import and Export

The screenshot shows the Microsoft Internet Explorer browser window. The title bar reads "rjhomomichl's Bookmarks on Delicious - Microsoft Internet Explorer". The menu bar includes File, Edit, View, Favorites, Tools, and Help. The File menu is open, showing options like New, Open..., Edit with Microsoft FrontPage, Save, Save As..., Page Setup..., Print..., Print Preview..., Send, Import and Export..., Properties, Work Offline, and Close. The "Import and Export..." option is highlighted. The main content area displays the "rjhomomichl's Bookmarks on Delicious" page. The page has a navigation bar with "Bookmarks", "People", and "Tags" tabs. Below this is a search bar and a "Search" button. The page title is "Bookmarks". The main content area shows a list of bookmarks, sorted by "Most Recent". The bookmarks are:

- 24 MAR 09 [homomichl's Bookmarks on Delicious](#) (EDIT | DELETE) [Week10 < Bookmarks]

Import / Upload Your Old Bookmarks

A Save your browser bookmarks to a file

Choose "Import and Export" from the File menu.
Click Next, choose "Export Favorites" and click Next.
Choose which folder you want to export from (the top one will export all of your favorites) and click Next.
Choose a location for your file (such as your desktop) and click Next.
Click Finish, then OK when it says "Successfully exported favorites".

(Show instructions for: [Internet Explorer 7](#), [Firefox](#), [Safari](#), [Opera](#))

Note: uploading Excel files, mp3s, or anything except bookmarks files probably won't work.

B Find bookmark file and add tags

Click browse and select your exported file from step A:

Browse...

(Maximum file size of 5 MB)

Tags are added to your bookmarks based on your folder structure. A bookmark in your "recipes" folder inside your "household" folder will be tagged both "household" and "recipes." You can choose additional tags here to apply to all your bookmarks:

If you have bookmarks stored in your browser, you can use this tool to transfer a copy of them into Delicious. Then, you'll be able to access those bookmarks from any computer connected to the internet and share them with your friends and other people. You can use step 2 to upload bookmarks exported from Delicious or a different service, as long as they're saved in a standard bookmarks format.

Done Internet

In the text box with Imported you can type in a tag for all of these items.

A Save your browser bookmarks to a file
